

## *Welcome to Orchid Valley Pet Co.*

We are very proud to be a sponsor of the fabulous *Australian Veterinary Palliative Care Conference*. Your wish to improve palliative and end of life care means you're clearly one of us!

Orchid Valley Pet Co. was founded with the aim of improving the quality of end of life services both for pets and their families, and for the staff involved in the aftercare of valued clients.

Our dream is for every clinic to do away with the garbage bags traditionally used to shroud deceased pets, and instead choose a more respectful alternative like our signature range of Forever Beds. Designed to be more aesthetically pleasing, our Forever Beds make managing and transporting pets easier, safer, and more pleasant for everyone involved.

Our memorial products complement the end of life service, giving the family something to hold onto at a time when they feel empty and bereft. A seed card and candle, placed in a keepsake box, maybe with the pet's collar and a paw print, provides the perfect gift to valued clients.

The Orchid Valley range is priced in line with other consumable items, to be included in your practice's standard fees. Our products can be purchased through our veterinary wholesale partners (see our web site for details), or by requesting an account directly with us on our web site. We also have a number of crematorium partners who choose to use our bags with their partner clinics.

I've attached a summary of our product range, and you can read more about us and our products on our website: [www.orchidvalleypet.com](http://www.orchidvalleypet.com). If you'd like to see samples of our products, or to discuss how Orchid Valley can help you transform your end of life services, please don't hesitate to get in touch.

Kind regards

## *RAISING THE STANDARD OF AFTERCARE*

### ***FOREVER BED***

Our best-selling animal cadaver bags are biodegradable and suitable for natural burial, cremation, viewings, transportation, and cold storage. Available in 5 sizes, all but the x-small size feature a soft, absorbent lining, and sizes M-XL come with convenient hemp carry handles.

### ***EVERLASTING SEED CARDS***

Sourced locally in WA, these everlasting seeds are beautifully packaged and have a shelf life of 20-25 years. Perfect for mailing in a sympathy card, each seed packet will yield 1 square meter of garden and will self-seed year after year. Seed cards can also be custom printed with your business logo.

### ***MEMORIAL CANDLE***

This beautiful soy vanilla candle is presented in a small tin with thoughtful “in loving memory” branding.

### ***KEEPSAKE BOX***

A thoughtful way of presenting your client’s keepsakes like a collar, paw print, and our Memorial Candle and Everlasting Seed Card.
